<b>MAX COMPONENT FAMILY - RACK MOUNTABLE SURGE PROTECTION PLUS LINE CONDITIONER FOR A/V &amp; SAT SYSTEMS</b>		
<b>M7500-PRO</b>	<b>MAX 7500-PRO</b> - 2U Rackmount; Selectable Balanced/Isolated power output; 11 Pure AC power outlets (4 always-on, 4 switched, 2 high current and 1 front panel convenience outlet); RS232 interface for home automation systems; Analog ammeter and voltmeter with adjustable brightness backlighting; Superior EMI/RFI noise filtration; Patented over/under voltage protection; 12V trigger (1 in; 1 out); 4 pairs bidirectional universal Cable/Sat/ANT connectors; 1 Telco/LAN and 5 line-level A/V.	<b>\$1,999.95</b>
<b>M4300-PM</b>	<b>M4300-PM</b> - 1U Rackmount; 9 pure AC power outlets; (9 switched - 4 high current), 2 pairs bidirectional universal Cable/Sat connectors, 1 telco jack for Pay Per View, 1 LAN jack; Protect-or-Disconnect™, Automatic Voltage Monitoring Circuitry, rack mounting ears optional. 10 ft. AC power cord, power and filtration indicator icon based LED's, Digital Numeric Voltmeter and dimmable rack lights, 10 ft. power cord, USB charging port.	<b>\$299.95</b>
<b>M5100-PM</b>	<b>M5100-PM</b> - 2U Rack mountable; 11 filtered AC outlets; (4 always on, 4 switched – 2 high current delayed, and 1 Front Gaming Outlet), 3 pairs bidirectional universal Cable/Sat/ANT connectors; 1 Telco connector; 1 LAN connector set for 10/100bT Ethernet lines - 1 front gaming LAN port and 1 rear LAN port – 1 pass-through for easy access for gaming consol. Protect-or-Disconnect™, Automatic Voltage Monitoring (AVM) Circuitry, 10 ft. AC cord, Digital Numeric Voltmeter & status indicator icon based LED's, front USB charging port	<b>\$399.95</b>
<b>M5300-PM</b>	<b>M5300-PM</b> - 2U Rack mount; 11 filtered AC outlets; (4 always on, 4 switched, 2 high current delayed and 1 Front Gaming Outlet), 3 pairs bidirectional universal Cable/Sat/ANT connectors; 1 Telco connector; 1 LAN connector set for 10/100bT Ethernet lines; Automatic Voltage Monitoring (AVM), 1 front gaming LAN port and 1 rear LAN port, one passes through to front panel for easy online gaming access. Protect-or-Disconnect™, Automatic Voltage Monitoring (AVM) Circuitry, 10 ft. AC cord, Digital Numeric Voltmeter & power status indicator icon based LED's, USB charging port.	<b>\$499.95</b>
<b>M5400-PM</b>	<b>M5400-PM</b> - 2U Rack mount; 11 filtered AC outlets; (4 always on, 4 switched – 2 high current delayed, and 1 Front Gaming Outlet), 3 pairs bidirectional universal Cable/Sat/ANT connectors; 1 Telco connector; 1 LAN connector set for 10/100bT Ethernet lines Automatic Voltage Monitoring (AVM), 1 front gaming LAN port and 1 rear LAN port, one passes through to front panel for easy online gaming access. Protect-or-Disconnect™, Automatic Voltage Monitoring (AVM) Circuitry, 10 ft. AC cord, Digital Numeric Voltmeter & power status indicator icon based LED's, USB charging port.	<b>\$699.95</b>
<b>M4300-EX</b>	<b>M4300-EX</b> - 1U Rackmount; 8 pure AC power outlets; (3 always on, 4 switched and 1 high current always on) 1 SAT HD In/Out coax jack set, 1 In/Out HD CATV coax jack; 1 telco jack for Pay Per View; Protect or Disconnect™ Automatic Voltage Monitoring Circuitry™, rack mounting ears optional. 10 ft. AC power cord, power and filtration indicator LED's.	<b>\$249.95</b>
<b>M5100-EX</b>	<b>M5100-EX</b> - 2U Rackmount; 11 pure AC power outlets; (4 always on, 4 switched, 2 high current and 1 front panel convenience) 1 SAT HD In/Out coax jack set, 1 In/Out HD CATV coax jack; 1 In/Out HD CATV coax jack; 1 telco jack for Pay Per View; 1 LAN jack set for 10/100 baseT Ethernet lines, Protect or Disconnect™ Automatic Voltage Monitoring Circuitry™, 10 ft. AC power cord, LED voltmeter & power status indicator LED's.	<b>\$349.95</b>
<b>M5300-EX</b>	<b>M5300-EX</b> - 2U Rackmount; 11 pure AC power outlets; (4 always on, 4 switched, 2 high current and 1 front panel convenience) 1 SAT HD In/Out coax jack set, 1 In/Out HD CATV coax jack; 1 telco jack for Pay Per View; 1 LAN jack set for 10/100 baseT Ethernet lines, Protect or Disconnect™ Automatic Voltage Monitoring Circuitry™, 10 ft. AC power cord, digital voltmeter, filtration & power status indicator LED's.	<b>\$549.95</b>
<b>M5400-EX</b>	<b>M5400-EX</b> - 2U Rackmount; 11 pure AC power outlets; (4 always on, 4 switched, 2 high current and 1 front panel convenience), 5 isolated banks, 2 SAT HD In/Out coax jack sets, 2 In/Out HD CATV coax jack; 1 telco jack for Pay Per View; 1 LAN jack set for 10/100 baseT Ethernet lines, Protect or Disconnect™, Automatic Voltage Monitoring Circuitry™, detachable 10 ft. AC power cord, digital voltmeter & digital ammeter, filtration & power status indicator LED's.	<b>\$749.95</b>
<b>M5500-EX</b>	<b>M5500-EX</b> - 2U Rackmount; 11 pure AC power outlets; True isolation transformer technology, (4 always on, 4 switched, 2 high current & 1 front panel convenience), 5 isolated banks, 2 SAT HD In/Out coax jack sets, 2 In/Out HD CATV coax jack; 1 telco jack for Pay Per View; 1 LAN jack set for 10/100 baseT Ethernet lines, Protect or Disconnect™ Automatic Voltage Monitoring Circuitry™, detachable 10 ft. AC power cord, digital voltmeter & digital ammeter, filtration & power status indicator LED's.	<b>\$999.95</b>
<b>M1500-UPS</b>	<b>MAX 1500-UPS*</b> -2U Rackmount; 1500VA; Uninterrupted Power Supply with IR control link (patent pending); Critical Load Management; Enhanced EMI/RFI noise filtration; Patented over/under voltage protection; RS232 interface with open protocol; Includes Panamax Home Cinema Power Control software; May be integrated with homeautomation systems; 1 Line Telco/LAN protection; User replaceable battery.	<b>\$999.95</b>
<b>ML4200</b>	<b>MAX LIGHT</b> -1U Rackmount; 9 pure AC power outlets (8 rear panel switched outlets & 1 front panel, always-on convenience outlet) Protect or Disconnect technology; 4 color acrylic LED light rod (white, blue, green, aqua). 9 ft. AC power cord.	<b>\$199.95</b>
<b>M4400-20A</b>	<b>MAX 4400-20AMP</b> - 1U Rackmount; 9 pure AC power Outlets (4 always on, 4 switched, 1 front-panel convenience outlet); Automatic Voltage Monitoring (AVM) Circuitry™; rack mounting ears included; 10 ft. AC power cord.	<b>\$299.95</b>

**MAX IN-WALL PRO SERIES**

<b>MIW-POWERKIT-PRO</b>		<p><b>PRO AC TWIST LOCK POWER INSTALLATION FILTER KIT</b> - Aesthetically pleasing alternative to unsightly extension cords from a component rack to a remote device. Using a specially designed power cord and twist lock cable connector/receptacle the POWERKIT-PRO provides clean and protected power for components in an equipment rack for remote devices (such as flat panel displays, front projectors, multizone systems, even subwoofers). Accommodates 2 optional signal line/level modules, sold separately. 8 ft. twist lock cord, mounting brackets and some installation hardware is included.</p>	<b>\$299.95</b>
-------------------------	---	--	-----------------

<p><b>MIW-POWER-PRO</b> Replaces MIW-POWER</p>		<p><b>PRO AC INSTALLATION PROTECTOR</b> - 2 recessed AC power outlets deliver power to remotely located devices; power on indicator LED, line fault indicator LED. Overvoltage protection, Protect-or-Disconnect™, and noise filtration circuitry included.</p>	<b>\$ 99.95</b>
--	---	---	-----------------

<b>MIW-DUAL SIGNAL BAY</b>		<p><b>MIW-DUAL SIGNAL BAY</b> - Accomodates 2 blank module inserts with pass-through plugs or MIW-signal modules (sold separately). May be used in conjunction with MIW-POWER-PRO. Full metal housing, mounting bracket included.</p>	<b>\$ 29.95</b>
----------------------------	---	---	-----------------

<b>MIW-POWER-AV</b>		<p><b>AC INSTALLATION PROTECTOR</b> - Provides safe and noise free filtered power to remote plasma screens, LCD's and ceiling projectors. Protects equipment against prolonged over voltages by disconnecting the power and reconnecting it when safe power returns. May be used in conjunction with MIW-DUAL SIGNAL BAY and signal line modules (sold separately). Delivers safe power to remote displays in a safety agency approved, code compliant manner while providing a finished, professional appearance.</p>	<b>\$ 79.95</b>
---------------------	---	--	-----------------

<b>MIW-POWERKIT-TL</b>		<p><b>PRO AC TWIST LOCK POWER INSTALLATION FILTER KIT</b> - Specially designed power cord and twist lock combination plug and receptacle system provides clean and safe power from component in equipment rack to plasma screen, ceiling projector or LCD.</p>	<b>\$299.95</b>
------------------------	---	--	-----------------

<b>MIW-POWERKIT-MOB</b>		<p><b>MIW-POWERKIT-MOB</b> – Pro AC Power installation/filter kit with metal outlet boxes; Specially designed power cord and twist lock combination plug and receptacle; Metal boxes work in both new and remodel construction projects; For use with approved fittings, conduit or armored cable.</p>	<b>\$299.95</b>
-------------------------	---	--	-----------------

<b>MIW-5RCA</b>		<p><b>PRO SIGNAL MODULE - 5-RCA</b> - Low voltage module with 5 RCA connections; for use with MIW-POWER.</p>	<b>\$ 59.95</b>
-----------------	---	--	-----------------

<b>MIW-VGA</b>		<p><b>PRO SIGNAL MODULE - VGA</b> - Low voltage module for RGBHV; connect devices to 15 pin high- density D-sub connector on face of module; 3.5mm stereo mini-jack for 12-volt triggering and IR signal transmission; use with MIW-POWER or MIW-POWERKIT-TL.</p>	<b>\$ 69.95</b>
----------------	---	---	-----------------

<b>MIW-SVIDEO</b>		<p><b>PRO SIGNAL MODULE – Combination S-Video and Component Video</b> - Low Voltage module for video and/or audio, RCA jacks compatible with audio or video signals; use with MIW-Power, MIW-Power-3Bay or MIW-PowerKit-TL.</p>	<b>\$ 59.95</b>
-------------------	---	---	-----------------

<b>MIW-DATA</b>		<p><b>PRO SIGNAL MODULE – RS232 and Ethernet</b> -Low Voltage module for projector control lines and/or computer data lines.</p>	<b>\$ 59.95</b>
-----------------	---	--	-----------------

<b>MIW-B&amp;O (MIW010)</b>		<p><b>B &amp; O PRO AC &amp; SIGNAL PROTECTOR</b> - Integrated signal line protection module to protect B&amp;O's proprietary MasterLink and PowerLink circuits.</p>	<b>\$ 99.95</b>
-----------------------------	---	--	-----------------

**MAX 2 FAMILY, DIRECT WALL OUTLET PLUG-IN**

<b>M2</b>		<p><b>MAX@2</b> - 2 AC outlets, direct plug-in; Protect or Disconnect technology</p>	<b>\$39.95</b>
-----------	---	--	----------------

<b>M2C</b>		<p><b>MAX@2 COAX</b> - 2 AC outlets, direct plug-in; Protect or Disconnect technology 1 pair bidirectional universal CATV/Sat/ANT Connectors, Signal Perfect technology.</p>	<b>\$49.95</b>
------------	---	--	----------------

<b>M2SUB</b>		<p><b>MAX@2 SUB</b> - 2 AC outlets, direct plug-in; A/V line-level protection, Protect or Disconnect technology</p>	<b>\$49.95</b>
--------------	---	---	----------------

<b>M2T</b>		<p><b>MAX@2 TEL</b> - 2 AC outlets, direct plug-in; 1 telco jack; Protect or Disconnect technology</p>	<b>\$44.95</b>
------------	---	--	----------------

<b>M2A20</b>		<p><b>MAX@2 - 20 AMP</b> - 2 AC outlets (1- 15amp, 1- 20amp), direct plug-in; Protect or Disconnect technology</p>	<b>\$89.95</b>
--------------	---	--	----------------

**FLOOR MODEL POWER CONDITIONERS**

PART# FEATURES RETAIL PRICE

**10 AC Receptacle - Home Entertainment Systems**

**M10-HT-PRO** **NEW** \$199.95

10 AC outlets – 3 filtered delayed AC outlets (transformer spaced), 3 filtered AC outlets, 2 filtered isolated outlet banks (each with 2 AC outlets); On/Off circuit breaker switch, 12V trigger input with bypass switch; slim line chassis for easy placement behind equipment rack; Extreme Voltage Shutdown – Continuously monitors the incoming line voltage and disconnects circuit breaker in the event of an overvoltage. 6 ft. power cord with right angle connector. 2 AC bidirectional universal coaxial connectors for Cable/Sat/ANT; 1 Telco connection for pass-through protection.

**8 AC Receptacle - Audio/Video Systems**

**PM8-HT** **NEW** \$79.95

8 filtered AC outlets all transformer spaced; Protect-or-Disconnect™; On/Off circuit breaker switch; 1 Telco connection for pass-through protection; 6 ft. power cord with right angle connector. 3 pairs bidirectional universal coaxial connectors for Cable/Sat/ANT – gold plated female “F” connectors. Accepts add-on signal line modules.

**PM8C-EX** **PM8C-EX** -6 ft. power cord; 8 pure AC power outlets; On/Off switch - 15 amp circuit breaker-combo; Protect or Disconnect™ Circuitry; Telco Protection RJ-11; CATV & Cable Modem Protection bi-directional; Accepts add-on signal line modules. \$69.95

**8 AC Receptacle - Audio/Video Systems**

**SP8-AV** **NEW** \$59.95

8 AC outlets; 15 amp breaker; Protect or Disconnect technology; Signal line protection for 1 pair in/out telco connector, 1 pair bidirectional universal CATV/Sat/ANT connector.

Replaces SP8DBS+2, SP8C, SP8T

**8 AC Receptacle - Home/Office Systems**

**PM8-EX** \$39.95

6 ft. power cord; 8 pure AC power outlets; On/Off switch - 15 amp circuit breaker combo; Protect or Disconnect™ Circuitry; Accepts add-on signal line modules.

**8 AC Receptacle - Home/Office Systems**

**M8-EX** \$59.95

8 ft. power cord; 8 pure AC power outlets; On/Off switch - 15 amp circuit breaker combo; Protect or Disconnect™ Circuitry; Patented Power Management Circuit\*; Overvoltage and Undervoltage shutoff; Accepts add-on signal line modules.

PART# FEATURES RETAIL PRICE

**8 AC Receptacle - Home Entertainment Systems**

**M8-HT-PRO** **NEW** \$149.95

8 AC outlets all transformer spaced – 4 filtered AC outlets, 4 High Current outlets; On/Off circuit breaker switch, 12V trigger input; Automatic Voltage Monitoring (AVM) circuitry continuously monitors incoming line voltage and automatically disconnects equipment in the event of an over or under voltage. Power is automatically reconnected when voltage returns to a safe level. LAN Protection 10/100bT; Telco protection – RJ-45 shared with LAN; 3 pairs bidirectional universal connectors for Cable/Sat/ANT – gold plated female “F” connectors; Accepts add on signal line modules. 8 ft. power cord with right angle gold plated connector.

**M8-HT** **NEW** \$99.95

8 filtered AC outlets all transformer spaced, On/Off circuit breaker; Automatic Voltage Monitoring (AVM) circuitry continuously monitors the incoming line voltage and disconnects equipment in the event of an over or under voltage. Power is automatically reconnected when voltage returns to a safe level. LAN Protection 10/100bT; Telco Protection RJ-45 shared with LAN; 3 pairs bidirectional universal connectors for Cable/Sat/ANT – gold plated female “F” connectors; Accepts add on signal line modules. 8 ft. power cord with right angle gold plated connector

**M8HC-PRO** \$149.95

8 ft. power cord; 8 pure AC power outlets; On/Off switch - 15 amp circuit breaker combo; 12V trigger input; Protect or Disconnect™ Circuitry; Patented Power Management Circuit\*; Overvoltage and Undervoltage shutoff; LAN Protection 10/100bT; Telco Protection RJ-11; CATV Protection bidirectional shielded gold plated female “F” connectors; Accepts add-on signal modules.

**8 AC Receptacle - Home Entertainment Systems**

**M8C-EX** \$79.95

8 ft. power cord; 8 pure AC power outlets; On/Off switch - 15 amp circuit breaker combo; Protect or Disconnect™ Circuitry; Patented Power Management Circuit\*; Overvoltage and Undervoltage shutoff; Telco Protection (with line splitter) RJ-11; CATV & Cable Modem Protection bidirectional with SignalPerfect™ Technology. Accepts add-on signal line modules.

**4 AC Receptacle - Home/Office Systems**

**M4-EX** \$49.95

8 ft. power cord; 4 pure AC power outlets; On/Off switch - 15 amp circuit breaker combo; Protect or Disconnect™ Circuitry; Patented Power Management Circuit\*; Overvoltage and Undervoltage shutoff; Accepts add-on signal line modules.

**M4T-EX** \$69.95

8 ft. power cord; 4 pure AC power outlets; On/Off switch - 15 amp circuit breaker combo; Protect or Disconnect™ Circuitry; Patented Power Management Circuit\*; Overvoltage and Undervoltage shutoff; LAN Protection 10/100bT; Telco Protection RJ-11/45 shared with LAN; Accepts add-on signal line modules.

**BEHIND VIDEO DISPLAY PROTECTION**

**MFP-400**  **NEW** **MFP-400** - Attaches behind any video display. Comes with universal mounting bracket, 3 ft. accessory power cord, 1 pair bidirectional universal CATV/Sat/ANT connectors, AVM circuitry continuously monitors the incoming line voltage and disconnects equipment in the event of an over or under voltage. Power is automatically reconnected when voltage returns to a safe level. **\$199.95**

**MFP500-EX**  **MFP500-EX** can easily be mounted onto the wall or the rear of the flat panel display either horizontally or vertically to be discreetly hidden from view. 2 pure AC power outlets, one high current, one for HDTV, eliminates symptoms of contaminated power, includes AVM (Automatic Voltage Monitoring) circuitry, 8 ft. powercord. Accepts add-on signal line modules. **\$199.95**

**121-2590**  MAX Flat Plug when used with the MFP500-EX provides a cord management option for behind furniture and for wall mounted flat panel displays. Length: 24 in. **\$7.95**

**NETWORK RACK MOUNTABLE PROTECTION FOR EQUIPMENT CABINETS**

**RM-8**  **MAX@RM-8** - 1U Rackmount; 6 ft power cord; 8 rear panel AC outlets and one front panel AC outlet; 15 amp breaker; The RM-8 is the perfect low-cost AC power solution for many rack mount systems. Install an RM-8 in the top slot of your rack, and the eight switched AC outlets in the rear panel will power up and protect all your equipment up to a 15-amp load. **\$74.95**

**FURMAN**  
Furman product provided for Panamax as replacement for discontinued POWERMAX@RACMAX – GRM0600-80

**DIGITAL EQUIPMENT HIGH END NOISE FILTRATION**

**MIP-15A-EX**  **NEW** **MAX@IMAGE PRO 15A-EX** - 15 amp, 3 always on power outlets; Automatic Voltage Monitoring (AVM) Protects equipment against prolonged over/under voltages by disconnecting the power and reconnecting when safe power returns, two - 2 wire Signal Perfect tel connectors and two LAN connectors RJ 45. 8 ft. power cord. **\$170.95**

Replaces MIP15

**MIP-20A-EX**  **NEW** **MAX@IMAGE PRO 20A-EX** - 20 amp, 3 always on power outlets; Automatic Voltage Monitoring (AVM) Protects equipment against prolonged over/under voltages by disconnecting the power and reconnecting when safe power returns, two - 2 wire Signal Perfect tel connectors and two LAN connectors RJ 45. 8 ft. power cord. **\$185.95**

Replaces MIP20

**SERVICE ENTRANCE PROTECTION**

**GPP8005**  **MAX SERVICE ENTRANCE PROTECTOR** - Rated for Split / Single Phase Panels up to 400 Amps; provides common point for signal line (cable TV and telephone) primary protectors; audible alarm **\$169.95**

**220 VOLT IN-LINE PRODUCTS**

**GNL2415**  **MAX@IN-LINE 15 AMP - STRAIGHT BLADE** - Designed for 208-240v single or splitphase **\$239.95**

**GNL2420**  **MAX@IN-LINE 20 AMP - STRAIGHT BLADE** - Designed for 208-240v single or splitphase applications; Panamax Signal Line Module compatible **\$249.95**

**SIGNAL LINE PROTECTION MODULES** - Modular, Application Specific Signal Line Protection. For Use With All PM8-EX, M4-EX, M8-EX, M8-PRO, M8-HT & PM8-HT Products

PART# /	FEATURES	RETAIL PRICE
<b>MOD-AT2</b>	 <p>Signal Line Protection Module for 2 Analog Phone Lines.</p> <p>RJ-45 (RJ-11/14 compatible jack), 4 wires protected (pins 3,4,5,6); 260V clamping; auto-resetting</p>	<b>\$29.95</b>
<b>MOD-AT4</b>	 <p>Signal Line Protection Module for 4 Analog Phone Lines.</p> <p>Installation flexibility with RJ-11, RJ-14, RJ-45 and 110 punchdown blocks on both input and output; 8 wires protected; 260V clamping; auto-resetting</p>	<b>\$49.95</b>
<b>MOD-AT8110</b>	 <p>Signal Line Protection Module for 8 Analog Phone Lines.</p> <p>110 punchdown blocks; 16 wires protected; 260V; auto-resetting</p>	<b>\$79.95</b>
<b>MOD-DT4</b>	 <p>Signal Line Protection Module for 4 Digital Phone Lines</p> <p>Installation flexibility with RJ-11, RJ-14, RJ-45 and 110 punchdown blocks on both input and output; 8 wires protected; 70V clamping; auto-resetting</p>	<b>\$49.95</b>
<b>MOD-UTP</b>	 <p>Signal Line Protection Module for 10/100 Base-T Ethernet.</p> <p>RJ-45 jack; 4 wires protected (1,2,3,6); 7V clamping.</p>	<b>\$29.95</b>
<b>MOD-CAT5</b>	 <p>Signal Line Protection Module for CAT5 Ethernet.</p> <p>8 wires protected (4 pairs); 19V Clamping; CAT5E compliant.</p>	<b>\$39.95</b>
<b>MOD-DBSTV</b>	 <p>Signal Line Protection Module for 3 CATV/Satellite/Antenna Lines &amp; 1 Phone Line.</p> <p>3 pair bidirectional universal CATV/Sat/ANT connectors, 75 V Clamping level, 1 phone line protected, 260V clamping; auto-resetting</p>	<b>\$59.95</b>
<b>MOD-SPKP</b>	 <p>Signal Line Protection Module for Outdoor Speakers, Keypads &amp; Control Lines.</p> <p>8 wires protected, 47V clamping; 7 Amp (per wire) capacity; 12 AWG Max. wire size. Power handling capacity for outdoor speakers: 225 Watts per channel for 4 Ohm speakers or 450 Watts per channel for 8 Ohm speakers.</p>	<b>\$49.95</b>
